The Falmouth-Yamaha Jazz Summer School is a five-day jazz course led by a team of experienced tutors. Set in the Academy of Music and Theatre Arts (AMATA), a purpose-built live venue housing an assembly of flexible theatre spaces, performance, rehearsal and recording studios. Falmouth University and Yamaha come together to host this exciting summer school, offering a fantastic opportunity to dive into a multi-level programme of jazz studies and performance.

The course is open to instrumentalists and vocalists from a wide range of experience levels – from beginner to advanced – and gives the valuable opportunity to develop new experience in key areas of skill and understanding with jazz playing.
